“On behalf of Aurora I want to extend my congratulations not only to the five recipient of this year’s scholarships but to all applicants and the entire Texas Tech inaugural class,” said Matt Klotz, DVM, Equine Technical Service Veterinarian for Aurora Pharmaceutical. “In total, 27 applications were received and the sheer caliber of these applications makes us excited to see how this inaugural class of Texas Tech will progress through the program.”

“This first class is something truly unique, and is helping us set program traditions for years to come,” said Britt Conklin, DVM, Associate Dean for Clinical Programs at Texas Tech University. “We are thrilled that Aurora has chosen to provide this scholarship program to support this unique class, that is central to our mission of serving, supporting and delivering to rural and regional communities.”
